- ❖ Make appropriate phone calls.
- ❖ Prepare interment order authorizing burial.
- ❖ Prepare interment card for your loved one and entry made on the record of lot owner (duplicate records are made for safety).
- ❖ Record interment on lot card.
- ❖ Prepare instructions to Foreman for grave opening operation.
- ❖ Foreman must lay out exact location of grave; this will be verified by second associate to avoid chance of error.
- ❖ Deliver necessary equipment to gravesite (canvas and boards to protect surrounding areas; hand tools, power equipment, etc.)
- ❖ Excavate interment space by machine, or hand, if necessary.
- ❖ Remove dirt, dump, and level dirt.

However, Roselawn Memorial Park requires that you have such a container, to protect the physical integrity of the grave and for the safety of our staff and visitors. Either a grave liner or a burial vault will satisfy these requirements. Roselawn does require an urn and vault for Ground Cremation Inurnment.
